

Privacy Policy

Emergence Psychedelic Therapy, LLC

Last Updated: January 2026

Emergence Psychedelic Therapy, LLC (“Emergence,” “we,” “us,” or “our”) is committed to respecting your privacy and protecting the personal information you choose to share with us. This Privacy Policy explains how information is collected, used, stored, and protected when you visit our website or communicate with us electronically.

This policy applies only to this website and does not govern services provided by other medical, therapeutic, or clinical practices, which maintain their own privacy policies.

1. Information We Collect

Information You Voluntarily Provide

We may collect limited personal information when you submit a contact or inquiry form, request information, subscribe to updates, or communicate with us electronically. This may include your name, email address, phone number, and general inquiry details.

Please do not submit sensitive medical, mental health, or personal health information through website forms or unsecured email.

Automatically Collected Information

When you visit our website, certain non-identifying information may be collected automatically, including IP address, browser type, device information, pages visited, date and time of access, and referring website. This information is used for website analytics, performance monitoring, and security purposes only.

2. How We Use Information

Information collected through this website may be used to respond to inquiries, provide general information about services, improve website functionality, maintain security, and comply with legal or regulatory obligations. We do not sell, rent, or trade personal information.

3. No Healthcare or Therapeutic Relationship

Use of this website or submission of information does not establish a physician–patient relationship, therapeutic relationship, facilitator–participant relationship, or any other professional relationship. Professional relationships are established only after a formal intake process, informed consent, and mutual agreement.

4. Medical and Clinical Services

Emergence Psychedelic Therapy, LLC operates as a licensed healing center under Colorado's Natural Medicine framework and does not provide medical diagnosis, psychotherapy, or clinical treatment through this website. Medical or clinical services, when applicable, are provided through separate licensed practices, which maintain their own privacy policies and confidentiality standards.

5. Data Security

We take reasonable administrative and technical measures to protect information submitted through this website. However, online communications may not be fully secure, and no system can guarantee absolute security. Information submitted electronically is done at your own risk.

6. Cookies and Analytics

This website may use cookies or third-party analytics tools to understand site usage and improve performance. You may disable cookies through your browser settings, though doing so may limit some website functionality.

7. Third-Party Links

This website may contain links to third-party websites. Emergence Psychedelic Therapy, LLC is not responsible for the privacy practices, content, or security of external sites.

8. Children's Privacy

This website is intended for adults 21 years of age and older. We do not knowingly collect information from individuals under 21.

9. Your Rights and Choices

You may request access to, correction of, or deletion of personal information you have submitted, or opt out of future communications by contacting us.

10. Updates to This Policy

This Privacy Policy may be updated periodically. Changes will be posted on this page with a revised date. Continued use of the website indicates acceptance of the current policy.
