Last updated: January 2026

1. Informational Purposes Only

The information provided on this website is intended for general educational and informational purposes only. It is not medical, psychiatric, psychological, therapeutic, or legal advice, and should not be used as a substitute for individualized evaluation, diagnosis, or treatment by a licensed professional.

Information on this site does not replace care provided by medical, mental health, or other licensed therapy practices, and nothing presented here should be interpreted as a recommendation for any specific treatment, diagnosis, or course of action.

2. No Physician–Patient or Therapeutic Relationship

Viewing this website, submitting an inquiry, downloading materials, or communicating through any online form does not establish a physician–patient relationship, therapeutic relationship, or any other professional relationship with Emergence Psychedelic Therapy, LLC, Dr. Stacy R. Green, M.D., or any affiliated medical or therapy practice.

A professional relationship is established only after completion of a formal intake process, informed consent, and mutual agreement to engage in services provided by the appropriate licensed entity.

3. Scope of Services and Legal Framework

Emergence Psychedelic Therapy, LLC operates as a Colorado-licensed micro healing center within the state’s Natural Medicine framework. Services offered through this entity are non-medical and are limited to preparation, facilitation, and integration support related to psilocybin experiences, as permitted under Colorado law.

Medical care, psychotherapy, diagnosis, treatment, and clinical decision-making are provided separately through appropriately licensed medical or mental health practices and are not delivered by Emergence Psychedelic Therapy, LLC.

All services are provided in accordance with applicable Colorado state and local laws, regulations, and licensing requirements.

4. Age Requirement

All services described on this website are available only to adults age 21 and older. No services are provided to minors.

5. No Endorsement of Illegal Substance Use

Information on this website is provided for educational and harm-reduction purposes only. Nothing on this site is intended to encourage or promote the use, possession, or distribution of illegal substances, or to provide guidance for obtaining substances outside of legally authorized contexts.

6. Jurisdictional Limitations

Laws and regulations related to psychedelic and natural medicines vary by jurisdiction. Emergence Psychedelic Therapy, LLC makes no representation that information on this website is appropriate, legal, or permissible outside of Colorado. Visitors are responsible for understanding and complying with the laws that apply in their own location.

7. No Guarantees or Warranties

Participation in psychedelic-related services is not appropriate for everyone and requires careful screening. Expressing interest or submitting an inquiry does not guarantee eligibility, acceptance, or access to any specific service.

No guarantees are made regarding outcomes, benefits, or results. Individual experiences and responses vary widely.

8. Not for Emergency Use

This website is not intended for emergency or crisis situations. If you are experiencing a medical or psychiatric emergency, call 911, contact local emergency services, or seek immediate professional help.

9. External Links

External links are provided for convenience and educational purposes only and do not constitute endorsement of third-party content or services.

10. Privacy and Communications

Electronic communications through this website may not be fully secure. Do not submit sensitive personal, medical, or mental health information through online forms. Please review our Privacy Policy for details regarding data use and protection.

11. Updates and Acceptance

This disclaimer may be updated at any time. Continued use of this website constitutes acceptance of the current version and acknowledgment of responsibility to comply with applicable laws.
